## EXTENSION ACTIVITY REPORT

### TITLE OF THE ACTIVITY: COMMUNITY GIS THROUGH P.R.A.

A community GIS mapping in fringe villages of Barnadi Wildlife Sanctuary was undertaken by the department to help the community to prepare their resource map through Participatory Rural Appraisal (PRA) approach from 12-09-2021 to 16-09-2021. Maps of total five villages were prepared by the community and same has been geo-coded using GPS device. An awareness initiative also taken up to make people aware about locally available resources.
