

Extract of the Resolution of GB meeting held on 23.05.2015

Resolution No.8:

Action taken Report on Feedback

The GB discussed on the Report submitted by the principal regarding student feedback upon teachers for the session 2014-15. It is observed that the feedbacks received against a few teachers were found to be poor. In this regard, the GB instructed the principal to take necessary steps like inspiring them to attend RC, OC, and STC, Seminar etc. to upgrade their teaching and communication skill.
