

# FEEDBACK ACTION TAKEN REPORT

## MANGALDAI COLLEGE

(2020-2021)

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, teachers, alumni and parents. Students who offered feedback were from different department and courses of the college.

The feedback targets following different content for different stakeholders.

- For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers.
- For teachers, the feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc.
- For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem solving approach.
- For parents, it targeted issues like placement, skill enhancement and affordability of courses in the college.

The responses were also taken from them about the weightage of the syllabus in terms of marks distribution.

The feedback collected has analyzed and sent to the respective authority for necessary action .

### 1. FEEDBACK FROM STUDENTS AND ACTION TAKEN
