

Dear Students and Colleagues,

Warm Greetings from Mangaldai College!

As you all are aware that India has assumed the Presidency of G20 in December, 2022 and it bears a great significance for the global leadership of India. Along with the G20 Summit in 2023, there will be Y20 Summit which will be attended by youths across the globe. In this regard, the Government of India has proposed to organise various events in colleges and universities across the country in line with the Y20 themes to make it more participatory and inclusive. In the same spirit, Government of Assam has proposed to the colleges and universities of the state to organise various events in conjunction with the Y20 Summit. Accordingly, Mangaldai College, in association with Darrang District Administration, is hosting a number of events in relation to Y20 Summit.

I am happy to extend our warm invitation to the colleges in the district to participate in these events.

With regards,
