FEEDBACK 2022-23

Observations:

1. The entire syllabus must be thoroughly taught and understood before the examination. Unfortunately, only 61.3% of students have reported that 80 to 100% of the syllabus has been covered. This issue requires prompt and effective attention.
2. Every student should have their assignments discussed with them. However, only 58.4% of students have indicated that assignments are consistently reviewed with them.
3. Teachers should maximize the use of ICT (Information and Communication Technology) tools to enhance the effectiveness of the teaching and learning process.
4. The institution need to put more efforts to inculcate soft skills, life skills and employability skills to make students ready for the world of work.
5. Institution should put more effort to activities such as experiential learning, participative learning and problem solving methodologies for enhancing learning.
