## **Observations:**

1. The drinking water facility in the college campus needs to be improved. The existing drinking water points need to expand throughout the college campus. Every department must have drinking water facility for students and faculty members.
2. The toilets of the campus need to be clean every day. The administration should take necessary measures to maintain healthy and hygienic conditions of the lavatories.
- 3.
4. Need to Enhancing campus placement facilities which will open doors to increased opportunities and career readiness for students at the college.
5. Need to enhance extracurricular activities within colleges to foster holistic personal development and provide students with diverse opportunities for growth beyond academics.
