It is with great excitement that I share with you the release of 2<sup>nd</sup> edition of our E-Newsletter, Mangaldai College Chronicle. This newsletter is a testament to the hard work, dedication, and accomplishments of our entire college community. It is a reflection of our shared commitment to nurturing talent, fostering intellectual curiosity, and building a supportive and inclusive environment.

In this edition, you will find a wealth of content that showcases the depth and diversity of our college. You can access the newsletter on our college website (<https://mangaldaicollege.org>). I encourage you to take a moment to go through the newsletter and share your valuable inputs. Your continued support and involvement are invaluable to us, and we look forward to sharing more stories of excellence in the future.

I offer my sincere thanks to IQAC and the editors for their generous effort in bringing out the newsletter.

Thank you all for being an integral part of the Mangaldai College Community.

Warm regards,

Dr. Kamala Kanta Borah  
Principal, Mangaldai College

## Message from the IQAC

Dear Mangaldai College Community,

We are delighted to extend our warmest greetings to all of you as we release the 2nd issue of our newsletter Mangaldai College Chronicle. As we usher in another exciting year at our esteemed institution, we share the events, activities and initiatives that have taken place through the pages of our newsletter. We have tried our best to incorporate all the valuable suggestions given by the stakeholders of the college.

With the ever-changing landscape of education, we are steadfast in our commitment to provide a nurturing, innovative, and inclusive environment for our students. The IQAC has been constantly working towards academic quality improvement and create an engaging learning environment. To facilitate learning opportunities to students, various capacity building programmes, skill trainings, workshops, etc., are organised. Community outreach programmes on health and hygiene, literacy, environment, livelihood, etc. are organised in the neighbourhood community with visible impact. We call upon all stakeholders to engage with IQAC in its journey of excellence in quality.

We hope this message finds you in good health and high spirits. Stay tuned for more updates in the next issue, and please feel free to share your news, achievements, and stories with us.

Warm regards,

Team IQAC

Mangaldai College

The Department of Political Science, Mangaldai College, Mangaldai College Student Union and IQAC, Mangaldai College has observed the Human Rights Day on 10th December, 2022 in the college premises. Sri Issa Ram Nath, HoD of Political Science gave welcome speech. Dr K. K. Borah, Principal, Mangaldai college explained about the need of protection of human rights at present situation. During the event, a pledge ceremony was conducted by Dr. Barnali Deka, which was followed by an awareness rally by the Mangaldai College Students Union.

## Celebration of Important Days

### National Librarians day

On 12th August, 2022, National Librarian's Day was celebrated at the Central Library of Mangaldai College. Every year this day is celebrated as National Librarian's Day to celebrate the birth anniversary of Padmashri Mr S. R. Ranganathan, who is also known as the father of Library Science. Dr. K. K. Borah, Principal of Mangaldai College inaugurated the program by lighting the lamp and highlighted the utility of the library in his speech. He also urged the students to increase the reading habit and visit the college library regularly. On this occasion, Mrs. Khanjana Deka, Librarian of the College elaborated about the Life history of S.R. Ranganathan and his contribution to the community. She also spoke about the Five Laws of Library Science and how students can be benefited from the library. IQAC Coordinator Dr. Santosh Borkakati also explained about the open source E- Resources available in college library front of the Students. Mr. Dimbeswar Boruah and Dr. Leena Saikia, faculty Mangaldai College has also shared their experiences. A total number of 100 students and faculty members were present in this event.

### Celebration of NSS day

NSS day was celebrated on 24th of September, 2022 in the Old Age Home of Mangaldai. 30 students of NSS from Mangaldai College went to the Old Age Home at 11am and stayed there till 1 pm. They distributed sweets among the residents of the home and spent quality time with them for a while.

The students listened to the stories of the residents and had a fun time while they were there. In today's age and time, it has become quite difficult for old people to find a connection to this digital age. In such a situation, students made it possible for the old residents to feel connected to familiar faces once again. They also narrated the stories of their struggles and troubles in this time. The students returned home with the promise of visiting the residents more in their free time and spending an hour or more of smiles with the generation that was before.

## NSS Mangaldai College Unit Activities

### College Cleaning Program

Under the Clean India Mission initiative, a “College Cleaning Program” was held inside the college campus of Mangaldai College, on 19th of September, 2022. Around 66 students participated in the programme and cleaned the nooks and corners of the college. The students started cleaning from the entrance of the campus, including the basketball court and the larger outside area of the campus. The natural space such as the field of the Mangaldai College and the backside area of the Canteen was taken next in the agenda. Dustbins were next emptied and kept at different places across the campus for maintaining the cleanliness in the campus.

### Training on Child Protection Issue

A training program on the issue of child protection was organised by the NSS unit of Mangaldai College on 23<sup>rd</sup> of September, 2022. It was held in the online mode where 28 students of Mangaldai College and NSS unit participated and learnt about this significant topic.

The Director of NSS, North Eastern region was invited as a resource person for this training programme. He highlighted the increasing rate of crimes against children and the need to be aware about the policies which would ensure their protection. Moreover, he also elaborated on the threat posed by child labour in the society and how it might take the future of this country to a doom ahead. Hence, it is the urgent need of the hour to make the universal availability of education to all so that no children stay behind as a collateral damage of an incapable society.

The students learnt about different policies enforced by the government in order to stop child labour and make education accessible to all. Moreover, students were also trained on reaching out for help if they see some child in distress and being violated of their rights.

The session ended with students sharing some of their experiences of seeing children in their helpless state and how they tried to take some steps to improve their situation.

## NSS Mangaldai College Unit Activities

### In-House Cultivation by NSS, Mangaldai College

The N.S.S. Mangaldai College has taken an initiative to introduce in house cultivation in Mangaldai College campus. To initiate this a potato cultivation farm has been introduced in the college. The farm has been inaugurated by Dr. K.K. Borah, Principal, Mangaldai College on 19th November, 2022.

### Clean India Campaign 2.0

Under the government of India's initiative, Swachh Bharat Abhiyaan, Clean India Campaign 2.0 was announced by the government of India this year which was celebrated by the NSS unit of Mangaldai College. 50 volunteers from the NSS unit walked from the Mangaldai College campus to Bhebarghat cleaning the surrounding area.

The students started by cleaning the outside boundary of the campus on 20th of October 2022 at around 11 am which included the college field and the nearby areas. The area encompassing the shops near the college campus was also cleaned. Next the students went on to clean the NH 15 cluttered with disposables and other garbage thrown away by the people. The different ditches by the roadside were also cluttered with disposables and the students tried their best to clean them till where they could reach from the roadside. Lastly, students cleaned the nearby market area of Bhebarghat and headed back towards the college at 4 pm.

## NCC Mangaldai College Unit Activities

### Celebration of NCC Day

The N.C.C. Wing of Mangaldai College has celebrated N.C.C. Day on 27th November, 2022 by organising a blood donation camp and visiting to Orphanage Kasturi Sishu Griha by the cadets.

# MCTU Activity

## Free Health Checkup at Adopted Village

A free Health Checkup Camp was organised at the Adopted Village Pakabangipara by Mangaldai College Teacher Unit on 29th November, 2022 in collaboration with Deomorno Community Health Centre, Darrang, Assam.
