Introduction:

Mangaldai College has taken an initiative towards the betterment of the student by organising a Student Capacity Development Workshop. This programme is the first one in the series of the programmes that are to be conducted in near future. For the purpose of Capacity Building a very relevant topic of ***"Artificial Intelligence for future workforce"*** is considered. In this initiative the Intel Digital Readiness group has given their significant contribution.

The students had to registered themselves in the Google form link provided in the brochure prior to the programme. The programme was conducted on 25th February of 2023 at Science Gallery of Mangaldai College. The Principal of Mangaldai College, Dr Kamala Kanta Borah started the programme with a welcome address. The workshop was 7 hours long with some theoretical knowledge and hands- on training facilitated by the Industry Expert Team (Mukut Sarma, Kaushik Kashyap Borah, Arihant Chindaliya, Karanbir) of Intel Digital Readiness group. A total of 180 students from science stream of Mangaldai College attended and benefitted from the programme. The session was very interactive and brainstorming for the participants.

Each participant was provided certificates. The feedback given by the students were encouraging for the organisers.
