

## Report on Orientation Program on Indian Knowledge System (IKS)

An Orientation Program on Indian Knowledge System (IKS) was organized by IQAC, Mangaldai College on 13<sup>th</sup> December, 2023 at Science Gallery from 10 am. The inaugural speech was delivered by Dr. Kamala Kanta Borah, Principal, Mangaldai College highlighting the significance of traditional knowledge and the abundance of scope for research in this field for the welfare of society. Dr. Borah also urged the gathering to aware the mass including the students about the rich knowledge of India. The Resource Person of the program was Dr. Meghna Choudhury, Assistant Professor, Department of Folklore Studies, Gauhati University. Dr. Choudhury started her lecture with an appreciation note for the beautiful College campus. The Technical Session-I was about a brief overview of IKS where she introduced the audience to the intriguing components and pillars of IKS. The 2<sup>nd</sup> technical session was on Pedagogy to IKS where the gathering was fascinated to listen to the art of Storytelling in the context of IKS and implementation of IKS in teaching-learning process. A lot of stories from *Panchatantra*, videos and interactive games made the talk fun and engaging. The queries were nicely addressed by the resource person. The certificates were distributed among the faculty members at the end of the Program. The Vote of Thanks was offered by Dr. Santosh Borkakati, Coordinator, IQAC, Mangaldai College. Overall, 50 participants were highly benefitted and enjoyed the program.
