

## Awareness Talk on “Sensitisation for Sustainable Development” by United Nations Resource Centre - NE Region (UNRC-NER)

An MOU was signed between Mangaldai College and the United Nations Resource Centre - NE Region (UNRC-NER) and SDG Program on 22<sup>nd</sup> May 2023 at the Science Gallery of Mangaldai College from 1 pm onwards. Dr. Aswini Sarma, Executive Director, UNRC-NER and Ms Nina Jain were the eminent dignitaries at the event. The MOU is for providing scope for the upliftment of the college in every sector, including education, science, culture, and environment. Dr. Sarma highlighted the purpose of the MOU and also mentioned the provision of being recognized as a Centre of Excellence to get various facilities provided by UNESCO.

On this occasion a talk on “Sensitisation for Sustainable Development” was also delivered by Dr. Aswini Sarma and Ms Nina Jain. Dr. Sarma explained about the operations and activities of UNRC-NER and its role in participation in UN or UNESCO conferences at the State, National, and International levels along with the visits of UN or UNESCO officials to the College.

Ms. Jain mentioned about the conduction of various healthy competitions among students on different significant themes relating to the environment. She interacted urged the students to come forward and participate in various competitions.

The faculties of Mangaldai College attended the event.
