

Report on Potato Distribution Programme

Organized by NSSUnit, Mangaldai College

Programme Coordinator - Mr. Nabajyoti Doley

Date: 21/11/2022

Venue: Kuyapani Village , Mangaldai

The NSS unit of Mangaldai College organized a potato seeds distribution programme at adopted village Kuyapani , Mangaldai to encourage the people for organic farming and self reliance activities at village level.

The potato seeds distribution programme started from 1 PM in the afternoon till 3 PM. All total 3 quintal good quality Potato seeds were distributed among the villagers. 30 student volunteers were participated in the programme. The volunteers formed many groups to distribute the potato seeds among the villagers.

The various methods and techniques of potato plantation and necessary steps for taking care of potato were also discussed in the programme. The programme is a great success in terms of self-reliance village activities.
