

Cycle Rally for Awareness on Blood Donation

Date: 28.08.2021

A Cycle Rally was organised by NCC cadets on 28th August 2021 to generate awareness on blood donation at Mangaldai Town. NCC cadets took to the streets on bicycles adorned with banners and informational materials, strategically spreading the message about the importance of blood donation. The innovative approach of combining cycling with a crucial public health message showcased the NCC's commitment to community welfare and encouraged a sense of responsibility among citizens towards contributing to life-saving initiatives. Total 104 number of participants took part in the cycle rally.
