

Academic Exchange Programme between Department of Botany, Mangaldai College and
Department of Botany, University of Science and Technology Meghalaya (USTM) on 6th
May, 2023

A brief report-

On 6th May, 2023, four faculties along with 18 students of B.Sc. 4th semester (Botany Honours) of Mangaldai College, visited the Department of Botany, USTM as per MoU. The accompanied faculties were Dr. Sahabuddin Ahmed, Dr. Rajreepa Talukdar, Dr. Kuntala Sarma Bordoloi and Manash Pratim Baruah. The students of Mangaldai College and USTM interacted with each other and participating faculties of USTM were Dr. Nibedita Das, Dr. Bedabati Choudhury, Dr. Milu Rani Das and Dr. Moutushi Das. The students of Mangaldai College were made familiar with the instruments and laboratories of the Department of Botany, Mangaldai College. Lastly, a talk was delivered by Dr. Bedabati Choudhury addressing the students.
