

Visit to Old Age Home to Celebrate NSS Day

Organized by NSS

Date: 24/09/2022

Venue: Old Age Home, Mangaldai

NSS day was celebrated on 24th of September, 2022 in the Old Age Home of Mangaldai. National Service Scheme commonly referred to as NSS was started in Mahatma Gandhi's centenary year, 1969 on 24th of September. Hence, every year this day is celebrated as the NSS day.

30 students of NSS from Mangaldai College went to the Old Age Home at 11Am and stayed there till 1PM. They distributed sweets among the residents of the home and spent quality time with them for a while.

The students listened to the stories of the residents and had a fun time while they were there. In today's age and time, it has become quite difficult for old people to find a connection to this digital age. In such a situation, students made it possible for the old residents to feel connected to familiar faces once again. They also narrated the stories of their struggles and troubles in this time. And they found solace in the comforting presence of the students on a lively autumn day of September.

The students returned home with the promise of visting the residents more in their free time and spending an hour or more of smiles with the generation that was before.
