Implementation of Government of India Schemes

The institution actively implements various schemes and initiatives announced by the Government of India, including the **STAR College Scheme** and the **Swachh Bharat Mission**. Under the STAR College Scheme, the college undertakes measures to strengthen infrastructure, laboratory facilities, and quality teaching-learning practices. In alignment with the Swachh Bharat Mission, the institution regularly conducts cleanliness drives, sanitation awareness programmes, and promotes hygiene and waste management practices within the campus. The college also supports and facilitates the implementation of other relevant Government of India initiatives aimed at academic development, environmental sustainability, digital literacy, and student welfare, in accordance with prescribed guidelines.
