First Aid, Medical and Counselling Facility

The institution provides basic first aid and medical facilities within the campus to ensure the health and safety of students and staff. A well-equipped first aid box is maintained in the college office and departments for immediate medical assistance during emergencies. The college also arranges medical support through nearby government hospitals and health centres whenever required. In addition, counselling facilities are provided to students and staff to address academic, personal, and psychological issues. Regular counselling and awareness programmes are conducted to promote physical and mental well-being, thereby ensuring a safe and supportive campus environment.
