Psychological Counselling Undertaking

The institution ensures the availability of psychological counselling support for both students and teachers to promote mental well-being and a healthy academic environment. The college regularly organizes counselling and awareness programmes to address academic stress, emotional well-being, career guidance, and personal development. Qualified faculty members and invited professionals conduct counselling sessions as and when required. The institution is committed to providing a supportive and inclusive atmosphere, ensuring that students and staff receive proper guidance to maintain mental health, improve academic performance, and enhance overall well-being.
