**Institution–Industry Cell**

The institution has established an Institution–Industry Cell to promote effective interaction between academia and industry. The cell facilitates industry exposure, internships, project work, expert lectures, workshops, and skill development programmes for students. It encourages collaboration with industries, start-ups, and professional organizations to enhance practical knowledge, employability, and career readiness of students. The Institution–Industry Cell also supports faculty development through industry interaction and helps align the academic curriculum with current industry requirements in accordance with AICTE guidelines.
