

REPORT ON FIELD SURVEY

Department of Economics, Mangaldai College organised a field survey for partial fulfilment of 2nd semester SEC course “Farm Management” on 10th May, 2024. The field survey was conducted in four different locations of the Darrang district which include Tongani Tea Estate, Balugaon Vegetable Market, Orang National Park and Kopati Village agricultural field. The survey which was conducted by around 80 students, started with the visit to Tongani Tea Estate where students collected information on different socio-economic parameters like employment, annual production, sell and export, ratio of male-female workers etc. Students also witnessed the tea manufacturing process in the tea estate. After that, students went to the Balugaon vegetable market and investigated the prices of different vegetables from the street vendors. Students also visited Orang National Park and enquired about eco-tourism opportunities in the area. At the end of the survey, students went to the agricultural fields of Kopati village where they learned lots of ground level information regarding cultivation and harvesting process of rice, maize and taro. The survey was conducted under the supervision of faculties of the Department of Economics, Mangaldai College.
