INAUGURATION OF ADD-ON COURSE

A departmental activity meeting was held on 19th of November 2022 to discuss the following agenda:

1. To conduct an add-on course on “Basic Workshop Practice” by Department of Physics, Mangaldai College, for Honors and regular students.
2. For forwarding the proposal of the add-on course to the College Academic Council (CAC) and getting approved by the same.

Accordingly, on 30th of November 2022, the inaugural meeting of the launching of add-on course titled “**Basic Workshop Practice**” was held in presence of the Principal i/c, Dr. Dimbeswar Baruah who was also the inaugurator of the event, IQAC coordinator, Dr. Santosh Borkakati and the students and faculties of the department.
