Observations:

1. The library needs significant upgrades to align with contemporary educational and research standards, integrating advanced resources and technology to improve the learning experience.
2. Enhancing campus placement facilities is essential to provide students with greater opportunities and better prepare them for their careers.
3. Expanding extracurricular activities in colleges is necessary to support holistic personal development and offer students a wide range of growth opportunities beyond academics.
4. Improvement is needed in placement assistance to better support students in securing job opportunities and enhancing their career readiness.
