FEEDBACK 2023-24

Observations:

1. The majority of students are choosing BA Honors, leading to an imbalance in streams. Increasing seat limits for BSc and other professional courses will encourage more diverse enrollments and create a balanced educational environment
2. Presenting PowerPoint presentations on syllabus-based topics will enhance students' knowledge and understanding of the subject matter.
3. Teachers should maximize the use of ICT (Information and Communication Technology) tools to enhance the effectiveness of the teaching and learning process.
4. The institution need to put more efforts to inculcate soft skills, life skills and employability skills to make students ready for the world of work.
5. Institution should put more effort to activities such as experiential learning, participative learning and problem-solving methodologies for enhancing learning.
